

Armour, Simpson share lead at Wyndham Championship

The Associated Press

GREENSBORO, N.C. Ryan Armour shot a career-best 9-under 61 on Friday for a share of the lead with Webb Simpson after two rounds at the Wyndham Championship.

Armour and Simpson were at 13-under 127 halfway through the PGA Tour's final event of the regular season. Simpson shot a 64.

Henrik Stenson was a stroke behind them after a 66. Ollie Schniederjans and Vaughn Taylor and were 11. Schniederjans shot 63, Taylor had a 66.

First-round leader Matt Every followed his 61 with a 72 to slip six strokes off the lead.

The field at Sedgefield Country Club is once again full of players trying to force their way off the bubble and qualify for the post-season. The top 125 players on the points list earn berths at The Northern Trust next week in New York.

At No. 187 on the list, Armour isn't even close to the bubble.

"Could turn your life around," Armour said. "I had some goals at the beginning of the week. I knew where I stood and, you know, right now the goals are attainable."

The 41-year-old who has yet to win on tour

and has bounced between the big tour and the Web.com Tour throughout his 14-year professional career, had nine birdies — five on his first nine holes, then four in a row on Nos. 5-8 — to quickly climb the leaderboard.

His round was two strokes better than his previous best of 63 nine years ago in Milwaukee.

Ottawa's Brad Fritsch (66) is tied for 19th at 7 under, David Hearn (68) of Brantford, Ont., is tied for 37th at 5 under and Nick Taylor (68) of Abbotsford, B.C., is in a group at 44th at 4 under.

Simpson, a North Carolina native who won here in 2011 and named his third child Wyndham, put himself in position to contend for his first victory since 2014.

He had four birdies on the first six holes of his back nine, pulling even with Armour at 13 under after his birdie on the par-5 15th.

"Keep making birdies, stay aggressive and know that there's plenty of good golfers behind me," Simpson said. "I got to keep the hammer down."

Stenson, who started on the back nine, offset his lone bogey of the round — he missed a 15-foot par putt on the par-4 18th — with three birdies during the four-hole span between Nos. 4-7.

US sweeps Solheim Cup fourball matches to earn three-point lead

LUKE MEREDITH
The Associated Press

WEST DES MOINES, Iowa The favoured Americans found themselves trailing Europe after a sluggish start to the Solheim Cup.

The U.S. settled down on Friday afternoon, pulling away with a record-setting fourball performance.

The United States swept the afternoon fourball matches to take a 5 1/2-2 1/2 lead at Des Moines Golf and Country Club.

Lizette Salas and U.S. newcomer Danielle Kang each won two matches, teaming to beat Carlota Ciganda and Caroline Masson 1 up for the Americans' lone full point in the morning foursomes, then leading the U.S. to its first ever fourball sweep in the afternoon.

"This is the history we really don't want. We want the history on Sunday night. We want the Cup," U.S. captain Juli Inkster said. "We've got a

lot of work (ahead). I know (European captain) Annika (Sorenstam) is going to get that team fired up."

Salas and rookie Angel Yin routed Ciganda and Emily Pedersen 6 and 5, and Kang and Michelle Wie topped Madelene Sagstrom and Jodi Ewart Shadoff 3 and 1.

In the other fourball matches, Brittany Lincicome and Brittany Lang beat Masson and Florentyna Parker 3 and 2, and Stacy Lewis and Gerina Piller edged Charley Hull and Georgia Hall 2 and 1.

In the morning foursomes, Americans Cristie Kerr and Lexi Thompson rallied to halve with Hull and Mel Reid. For Europe, Hall and Anna Nordqvist beat Paula Creamer and Austin Ernst 3 and 1, and Karine Icher and Catriona Matthew topped Lewis and Piller 1 up.

The U.S. would find a lot more success in fourball play — dominating so thoroughly that it never trailed in any of the four matches.

Notice of Appeal forms are available from the City Clerk Department, Third Floor, City Hall or on the City's website at www.medicinehat.ca.

All Development Permits listed are subject to conditions. Further information on any Development Permit may be obtained from the Planning & Development Services Department, Second Floor, City Hall during normal business hours (Telephone 403-529-8374).

GAS DISTRIBUTION SHANNON BRIDGE PIPELINE INSPECTION STARTS AUGUST 29

TRAFFIC CONTROLS AND TRAIL CLOSURE WILL BE IN EFFECT

Starting August 29, 2017, the City of Medicine Hat Gas Distribution Department will begin inspecting a 100mm (4") pipeline attached to the Shannon Bridge structure. The inspection will be conducted via scaffolding below Shannon Bridge by a specialized contractor. This routine work will assess the integrity of the pipeline and ensure the continued safe and reliable delivery of natural gas to customers.

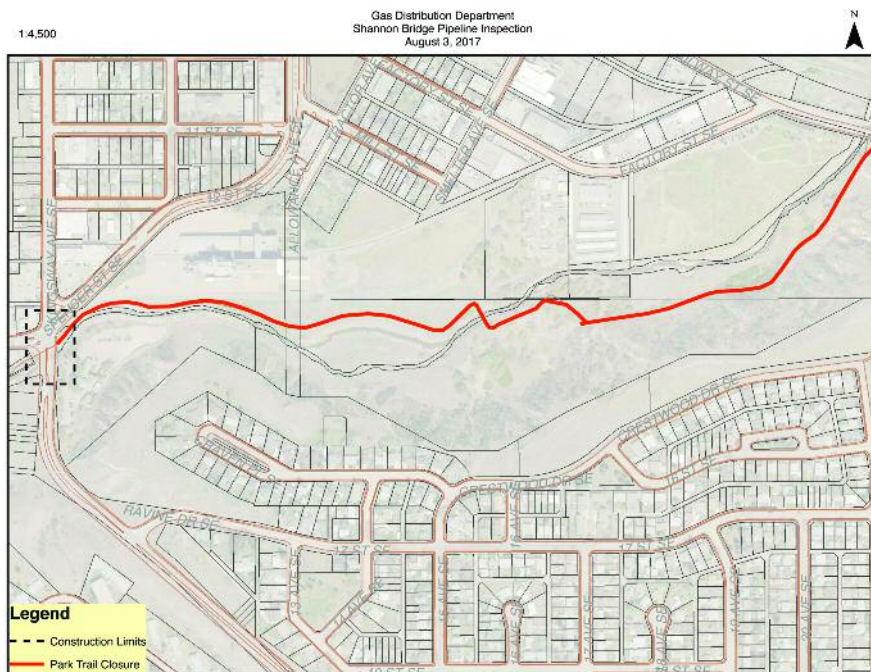

The pipeline inspection is expected to take approximately 3-4 days, depending on weather or unforeseen circumstances.

Traffic controls and detours and trail closure will be in effect:

During this work it will become necessary, at certain times, to install temporary traffic controls and detours to maintain the safety of the public and the personnel on site. Furthermore, a portion of the City of Medicine Hat's Saratoga Park Trail between South Railway Street/Carry Drive SE and Dunmore Road SE will be closed for the duration of the project.

Please adhere to all construction signage to ensure the work can be completed in a timely manner. As a reminder, please slow down in construction zones as driving conditions can change rapidly.

WATER MAIN FLUSHING & FIRE HYDRANT INSPECTIONS

Environmental Utilities performs regular, routine maintenance to uphold the water quality and system infrastructure by annually flushing water mains and inspecting fire hydrants.

During these operations, there may be some discoloration in the water which is not harmful to consume and will disappear when flushing is complete. Please note that discoloured water should not be used for laundry and that fluctuating water pressure may also be noticed.

Should discoloration persist beyond three hours, turn on your cold water tap or an outside sprinkler and let the water run for several minutes until the water runs clear.

For additional information or to confirm whether crews are working in your zone, refer to the Water Flushing Programs page on the City's website at www.medicinehat.ca/eu or contact Environmental Utilities at 403.529.8176.

GAS DISTRIBUTION FINLAY BRIDGE PIPELINE INSPECTION STARTS AUGUST 28

FINLAY BRIDGE CLOSED FOR 3-5 DAYS DURING INSPECTION

Starting August 28, 2017, the City of Medicine Hat Gas Distribution Department will begin inspecting a 150mm (6") pipeline attached to the Finlay Bridge structure. The inspection will be conducted via rope access off Finlay Bridge by a specialized contractor. This routine work will assess the integrity of the pipeline and ensure the continued safe and reliable delivery of natural gas to customers.

The pipeline inspection is expected to take approximately 3-5 days, depending on weather or unforeseen circumstances.

Finlay Bridge Closed and Traffic Accommodation in place:

During this work temporary traffic accommodations will be put in place to maintain the safety of the public and the personnel on site. 2nd Avenue NE (Finlay Bridge) will be closed for the duration of the project. Furthermore expect temporary traffic controls and detours along Parkway Drive NE and River Road SE at various times throughout the project.

Please adhere to all construction signage to ensure the work can be completed in a timely manner. As a reminder, please slow down in construction zones as driving conditions can change rapidly.
