

Nadal still king of the clay

The Associated Press
 BARCELONA, Spain
 Rafael Nadal defeated Martin Klizan 6-0, 7-5 to extend his winning streak on clay and reach the Barcelona Open semifinals on Friday.

Nadal started well but needed to save three set points to close out the match for his 17th straight victory on the surface.

The top-ranked Spaniard has won 42 consecutive sets on clay.

"It was a good start for me, a quick one, but then in the second set everything changed," said Nadal, who had to come back from a break down. "I feel a little bit luck today to be through

in straight sets again."

The 140th-ranked Klizan had eliminated Novak Djokovic in the second round.

Nadal will next face David Goffin, who defeated Spaniard Roberto Bautista Agut 6-7 (3), 6-2, 6-2. The 10th-ranked Belgian Goffin had to come back from a set down in all of his three victories in Barcelona.

Rafael Nadal

In the other semifinal, Pablo Carreno Busta of Spain — who defeated second-seeded Grigor Dimitrov of Bulgaria 6-3, 7-6 (4) — will play against Stefanos Tsitsipas, the 63rd-ranked Greek who got past third-seeded Dominic Thiem of Austria 6-3, 6-2.

UFC will try Calgary again

The Canadian Press
 CALGARY
 Former world featherweight champion Jose Aldo of Brazil will take on American Jeremy (Lil' Heathen) Stephens in the co-main event of a UFC card in Calgary on July 28.

It's the UFC's first show in Calgary since 2012.

The main event of the Scotiabank Saddledome show will be announced later. But nine bouts are set for the UFC Fight Night card.

Aldo (26-4-0), ranked No. 2 among 145-pounders, returns to Canada seven years after a memorable win over Canada's Mark Hominick at UFC 129 in Toronto. Stephens (28-14-0) is ranked fourth.

Aldo has lost three of his last four bouts, beaten by Conor McGregor and twice by Max Holloway. Stephens has won three in a row.

Also on the card, No. 4 fly-weight contender Alexis Davis, a native of Niagara Falls, Ont., who fights out of San Jose,

faces No. 5 Katlyn Chookagian while No. 11 strawweight contender Randa Markos of Windsor, Ont., meets No. 14 Nina Ansaroff.

Welterweight Jordan (Young Gun) Mein of Lethbridge, Alta., takes on Alex Morono, Montreal lightweight John (The Bull) Makedessi tackles England's Ross Pearson, Vancouver lightweight Kajan Johnson fights Russian Islam Makhachev and Calgary featherweight Hakeem Dawodu meets American Austin Arnett.

Linesman ordered to pay Flames, Wideman for legal costs

The Canadian Press
 CALGARY
 A judge has ordered NHL linesman Don Henderson to pay the Calgary Flames and defenceman Dennis Wideman a total of \$11,000 to cover a portion of their legal costs in connection with his failed lawsuit. Henderson had filed a lawsuit against the

NHL, the Flames and Wideman seeking \$10.5 million in damages.

Wideman struck him from behind during a game between the Flames and the Nashville Predators in January 2016.

The judge ruled the case should be heard by the NHL and not the court system.

The NHL suspended Wideman for 20 games.

A person claiming to be affected by a decision of the Development Officer or the Municipal Planning Commission may appeal to the Medicine Hat Subdivision and Development Appeal Board by completing and submitting to the City Clerk Department, the required Notice of Appeal form within twenty-one (21) days of this publication. Notice of Appeal forms are available from the City Clerk Department, Third Floor, City Hall or on the City's website at www.medicinehat.ca.

All Development Permits listed are subject to conditions. Further information on any Development Permit may be obtained from the Planning & Development Services Department, Second Floor, City Hall during normal business hours (Telephone 403.529.8374).

WATER MAIN FLUSHING & FIRE HYDRANT INSPECTIONS

Environmental Utilities performs regular, routine maintenance to uphold the water quality and system infrastructure by annually flushing water mains and inspecting fire hydrants.

During these operations, there may be some discolouration in the water which is not harmful to consume and will disappear when flushing is complete. Please note that discoloured water should not be used for laundry and that fluctuating water pressure may also be noticed.

Should discolouration persist beyond three hours, turn on your cold water tap or an outside sprinkler and let the water run for several minutes until the water runs clear.

For additional information or to confirm whether crews are working in your zone, refer to the Water Flushing Programs page on the City's website at www.medicinehat.ca/eu or contact Environmental Utilities at 403.529.8176.

PROTECT WATER LINES FROM FREEZING

The following actions should be considered to protect your water lines:

- Repair broken windows and ensure windows/vents are closed during the winter.
- Insulate water pipes in unheated areas, including crawl spaces.
- For sinks located against a non-insulated outside wall:
 - Open the vanity door to allow warm air to reach the water pipes.
 - A light bulb placed near the water pipe may generate enough heat to keep the water flowing
 - Heat tape wrapped around the pipe may keep the pipe from freezing.
- Residents of mobile homes should check the condition of the heat tape on their water service and water meter.
- Protect unheated indoor water meter with an insulated box and water pipes should be wrapped in insulation using heat tape.
- Outside water taps and underground sprinkler systems should have the water supply shut off inside the house at the isolation valve for the tap.
- Sprinkler lines and taps should be drained/blown out.
- A thin stream of water (as thick as a pencil lead) running continuously from at least one tap will help prevent a frozen water service.
- If you plan to be away from home over the winter period, close the main water isolation valve located next to the water meter in your home. You should leave the heat on in your home and have someone check inside your home daily while you're away.

A frozen water service, or a burst water pipe, is an inconvenience and expense that most people would like to avoid. Please take all possible precautions to prevent this happening in your home or business.

For more information, refer to www.medicinehat.ca/eu or contact Environmental Utilities at 403.529.8176.

ELECTRICAL UPGRADES

Electric Distribution Department would like to advise residents and business owners that City of Medicine Hat crews will be upgrading electrical systems in the downtown core from April to October 2018. Alleyways from 1st Street to 5th Street and South Railway to 4th Avenue SE will be affected. For more information visit www.medicinehat.ca/upgrades

UDS-GAS DISTRIBUTION 2018 FEEDER MAIN REPLACEMENT

1 Street SW, 2 Street SW, 1 Avenue SW, 2 Avenue SW and 3 Avenue SW.

The City of Medicine Hat Gas Utility will be replacing gas mains in the roadways which will include the gas services to the homes in the affected area. This will help to ensure continued safe and reliable delivery of natural gas to the residents of Medicine Hat.

This project is set to begin on May 1, 2018 and expected to

take approximately 8-10 weeks, depending on weather and unforeseen circumstances.

During construction, it will become necessary at certain times to install temporary traffic controls and detours to maintain the safety of the public and the construction personnel on site. Please adhere to all construction signage to ensure the work can be completed in a timely manner.
