

City Council Meeting Highlights

October 1, 2018

City Council received for information from Administrative Committee the tender recommendation for best evaluated bid meeting specification AECON Transportation West Ltd. in the amount of \$970, 010. The tender award was for 18-54, Medicine Hat regional Airport, North Node Development Phase I.

City Council approved the RFP recommendation through Administrative Committee for Tourism and Marketing Services to the single bidder meeting specification, Medicine Hat Destination Marketing Organization Society at \$399,330 per year for four years, for a total value of \$1,597,320.

A decision report of the City of Medicine Hat Subdivision and Appeal Board was received for information by Council.

The meeting minutes of the Heritage Resources Committee were received by City Council for information and included updates on HRC's tour of the Saamis Site lead by the Archaeological Society, the plaque unveiling ceremony recognizing Municipal Historic Resource Designation of the City's last standing Civil Defence Siren and various other projects and plans.

City Council received for information the minutes from the September 20, 2018 Police Commission meeting.

The second reading of Bylaw No. 4498 to amend the Smoke Free Public Places Bylaw (No. 4136) was defeated by Council. A motion was then approved to direct staff to develop a stand-alone cannabis policy. In the absence of a City bylaw, provincial regulations will prohibit smoking and vaping of cannabis:

- anywhere in the City that smoking tobacco is prohibited;
- on school, childcare and hospital properties; and
- within 5 metres of sports fields, outdoor theatres, skate parks, spray parks and playgrounds.

Tina Nguyen was appointed to the Youth Advisory board for a two year term commencing immediately.
