You might not know it, but The Esplanade has the key to the city

As many of you already know, The Esplanade Arts & Heritage Centre is Medicine Hat's cultural hub located downtown on First Street and is home to world-class entertainment, art and heritage exhibitions, education programming, archives and a museum that exemplifies our rich and diverse culture. What you might not know is the significance that arts and culture has on our community. Did you know that according to ArtVest, Canadian Framework for Culture (2011) 95% of Canadians say that art education and culture assists in the intellectual development of children? That 88% also believe youth engagement with arts and culture helps reduce youth crime and alienation? Additionally, 80% believe that cultural programming improves children's academic performance!

Josie Doll

My role within the Esplanade and the public services division of the City of Medicine Hat is corporate partnership coordinator. The term "corporate partnership" can be confusing as it describes a wide range of relationships. Within the City of Medicine Hat, we use the term to engage businesses who want to work together in areas of mutual interest to achieve a common goal — or at least complementary goals. Within corporate partnerships, we can achieve better outcomes and serve our community by combining, tailoring and leveraging resources to benefit the community as a whole.

You may ask how is the importance of arts and culture in our community linked to corporate partnerships. Well, according to ArtVest, Canadian Framework for Culture (2011), 68% of Canadians feel more favorably towards businesses that they know support cultural activities. This means that if you are looking to connect with people and make a lasting impact in our community you can do that through a partnership at the Esplanade.

With close to 100,000 people annually through the doors, there are so many different ways to connect your business with the audience at the Esplanade. Through programming, sponsorship, digital advertising space and naming rights. This is your opportunity to talk directly to audiences who are listening and who want to support business that supports arts and culture. Driven by experience and focused on impact, a corporate partnership with the Esplanade could be the way to set your business apart while making a lasting impact on your community.

This is the power of a perfectly tailored Corporate Partnership.

Josie Doll is the corporate partnership co-ordinator for the Esplanade Arts & Heritage Centre and the public services division of the City of Medicine Hat

Woman killed by black bear while camping in northern Saskatchewan

The Canadian Press

BUFFALO NARROWS, Sask. RCMP say a woman died after being attacked by a black bear while camping in northern Saskatchewan.

Police say the woman was with a man and two children under the age of 10 in the remote area of McKie Lake, about 150 kilometres north-east of Buffalo Narrows when she was attacked by the bear Thursday evening.

The woman, who was 44, was pronounced dead by medical personnel after she was flown out of the area.

Police say she was the only one who was injured.

RCMP say it is the first fatal bear attack in the province since 1983.

Police say the bear was killed at the scene and there is no risk to public safety.

They did not say how the woman is related to the man and two children, but they are all from Saskatchewan.

RCMP say the death is not considered suspicious and Saskatchewan's Ministry of Environment will conduct an investigation.

A person claiming to be affected by a decision of the Development Officer or the Municipal Planning Commission may appeal to the Medicine Hat Subdivision and Development Appeal Board by completing and submitting to the City Clerk Department, the required Notice of Appeal form within twenty-one (21) days of this publication. Notice of Appeal forms are available from the City Clerk Department, Third Floor, City Hall or on the City's website at www.medicinehat.ca

All Development Permits listed are subject to conditions. Further information on any Development Permit may be obtained from the Planning & Development Services Department, Second Floor, City Hall during normal business hours (Telephone 403.529.8374).

WATER MAIN FLUSHING & FIRE HYDRANT INSPECTIONS

Environmental Utilities performs regular, routine maintenance to uphold the water quality and system infrastructure by annually flushing water mains and inspecting fire hydrants.

During these operations, there may be some discoloration in the water which is not harmful to consume and will disappear when flushing is complete. Please note that discoloured water should not be used for laundry and that fluctuating water pressure may also be noticed.

Should discoloration persist beyond three hours, turn on your cold water tap or an outside sprinkler and let the water run for several minutes until the water runs clear.

For additional information or to confirm whether crews are working in your zone, refer to the Water Flushing Programs page on the City's website at www.medicinehat.ca/eu or contact Environmental Utilities at 403.529.8176.

BYLAW #4634 PROPOSED AMENDMENT TO THE LAND USE BYLAW #4168

TAKE NOTICE that City Council gave First Reading on Monday, August 17, 2020 to Bylaw #4634, a Bylaw of the City of Medicine Hat to amend the Land Use Bylaw #4168 to make improvements to land use regulations and better align regulations with Alberta Building Safety Codes.

A Public Hearing in general accordance with the Municipal Government Act and the City's Procedure Bylaw, and consideration of the Second/Third Readings of proposed Bylaw #4634 will be held in the City Hall Council Chambers at the address below on Tuesday, September 8, 2020, beginning at approximately 6:30 pm. This meeting will be open to the public with adjustments in place to ensure alignment with current Alberta Health requirements related to COVID-19. Any person who claims to be affected by the proposed bylaw may make representation to City Council at the Public Hearing. Oral submissions are limited to five minutes.

Anyone wishing to have a written submission concerning this proposed bylaw placed before the City Council must submit it to: City Clerk Department, 580 First Street SE, Medicine Hat, Alberta T1A 8E6

by 12:00 noon, Wednesday, September 2, 2020.

All submissions are treated as public documents.

For further information, or to view copy of proposed Bylaw #4634 and related documents, please contact Planning & Development Services at 403.529.8374. Bylaw #4634 may also be accessed via the 'Proposed Bylaws' section on the City's website at www.medicinehat.ca.

Dated at the City of Medicine Hat, in the Province of Alberta, this 22nd day of August, 2020.

Angela Cruickshank, City Clerk
Phone 403.529.8234
Fax 403.529.8324
