TORONTO
 The Toronto Maple Leafs have signed 2012 first-round

draft choice Morgan Rielly to a three-year entry level contract. Rielly, 18, was selected fifth overall at the NHL entry draft by the Maple Leafs on June 22.

The 6-1, 200-pound defence-man had 18 points in 18 games with the Moose Jaw Warriors of the Western Hockey League last season.

Rielly played 83 career games over two seasons with Moose Jaw but missed the majority of the 2011-12 season due to a knee injury.

The Environmental Utilities Department will test and flush fire hydrants plus water mains until October 2012. This is an annual maintenance activity that maintains water quality and system infrastructure. Residents may notice some discoloring of water, which is not harmful and will disappear when flushing is complete. Fluctuating pressure may also be noticed.

Should discoloration persist beyond three hours, you may wish to flush the water from your home for a few minutes by watering your lawn or running your tap. Please note that the flushing in your home will not correct private plumbing/corrosion problems. Thank you for your understanding.

The Going Green surcharge is calculated from the difference between the average monthly Alberta Pool Price as established and published by the Alberta Electric System Operator (AESO) and the contracted wind energy price of \$0.095 per kilowatt hour.
