(Lawton St)

Lot 40-41

Block 20

Plan 1132 M

**1913**

**Chas. W. Cook, Dentist**

Today this is a home in a residential area. Could not locate the building permit for Lot 40-41 but did locate a permit for Lot 39-40 which seem to overlap. It was dated June 1913.

Chas. Cook is listed at this address in the 1914 Henderson Directory. By 1916 he has set up a business, Medicine Hat Dental Laboratory at 638 - 2 St.S.E., upstairs, the old Turpin Block. Two other dentists are at the same location, John Dixon and A.D. MacPherson.

**Medicine Hat News Jan 13, 1916**

**"Modern Woodmen dues and assessments can be paid at....or to C.W. Cook, dentist over Barker and Patten's store. 2nd St."**
