

Snow Angels

It's the Neighbourly Thing To Do!

Winter is coming. Shoveling snow can be difficult and even dangerous for some people.

Help your neighbour - be a Snow Angel!

- Snow Angels is an awareness and recognition campaign to encourage Medicine Hatters to help a neighbour in need by shoveling their snow.
- To be a Snow Angel, all you need to do is shovel snow for a person or persons in need in your neighbourhood.
- Watch for more information on www.medicinehat.ca

**Your efforts will help create
a safer community for
everyone!**

Medicine Hat
The Gas City

Through the Snow Angel Promotional Campaign, the City of Medicine Hat is merely encouraging good neighbourliness. The City of Medicine Hat does not select, supervise, or monitor persons volunteering as Snow Angels. Any person who volunteers to shovel snow on behalf of another does so at their own sole risk. Any person who accepts assistance from a person volunteering as a Snow Angel does so at their own sole risk.
