Tax Account Number:

Legal Description:

Property Address:

Consistent with the Constitution of Canada, the School Act provides:

1. That a corporation which has shareholders may direct the same portion of their taxes in support of schools to the Roman Catholic separate school district that the value of shares owned by the shareholders who are Roman Catholic bears to the total value of all shares of the corporation.
2. That a corporation which does not have shareholders or a co-operative association may direct the same portion of their taxes in support of schools to the Roman Catholic separate school district that the number of members who are Roman Catholic bears to the total number of members.
3. That a School Support Notice given by a corporation or a co-operative association under section 135 shall state that the information in the School Support Notice has been approved by a resolution of the shareholders, the members or the directors.

Therefore I declare that the percentage of shares of the corporation owned by the shareholders (or the percentage of members of the corporation or co-operative association) who are Roman Catholic and the percentage of shares owned by the shareholders (or the percentage of members) who are not Roman Catholic is shown below and that the information in this School Support Notice has been approved by resolution of the shareholders, members or directors.
