

The City of Medicine Hat Gas Utility Distribution department is closing portions of Broadway Avenue for the installation of a new feeder pipeline in the area. The closure will be between Box Springs Road and Range Road 63 NW.

Work is scheduled to begin tomorrow, June 20 and be completed in approximately three days, as long as weather cooperates and there are no unforeseen delays.

During construction, motorists are advised to pay attention to signs and detours, and to drive safely around the work zone. Thank you for your patience as this project is completed.
