

LIVE/WORK RESIDENTIAL DEVELOPMENT GRANT

a) Purpose

The Live/Work Residential Grant Program is for property owners where a development results in the creation of living space above a commercial operation with a minimum unit size of 93 square metres (1000 SF).

This program is consistent with the objectives of the Downtown Redevelopment Plan in that it will assist with the costs of new development or redevelopment that have been identified as constricting investment. The goal is to generate quality living space resulting in an increase in people living in the downtown, more activity and growth opportunities for business in the downtown.

b) Eligible Area

The geographic area of this program is identified in the Downtown Redevelopment Plan (see boundary map). Only properties within this geographic area are eligible for this program.

c) Funding

The program is intended to cover 100% of eligible costs up to **\$5,000** for initial living space. Funding is subject to availability within the program allocation.

d) Program Timing

This program is scheduled to begin March 2019 and end December 2020.

- All eligible expenses incurred must be submitted with invoices and receipt of payment by December 31, 2020.
- Expenses incurred prior to January 1, 2019 and after December 31, 2020 will not be eligible.

e) Eligibility for Property Owners

- i. Available to property owners within the Downtown Redevelopment Area.
- ii. Available on a first come first serve basis.
- iii. Property owner must not be in arrears in municipal taxes or utilities.
- iv. Property must meet all applicable building safety codes, development requirements and comply with zoning requirements upon completion.
- v. Development will result in the creation of living space above a commercial operation with minimum unit size of 93 square metres (1000 SF).

f) General Terms and Information

- i. Grant is paid upon submission of paid invoices with receipt or processed cheque showing payment.
- ii. Applications for this program are subject to review by the Business Support Officer. Property owners are encouraged to meet with the Business Support Officer to discuss the program details.
- iii. Will cover 100% of eligible costs up to **\$5,000** (maximum City Contribution).

Eligible costs include:

- offsite levy fees
- architect fees
- engineering fees
- utility infrastructure upgrades to service the property (specifically those costs associated with upgrades from the city's nearest point of service to the meter on the property (i.e. gas, electric, water, sewer)).
- development permit fees, building permit fees and/or other permit fees required for the installation of related building services
- safety inspection request fees

Ineligible costs:

- construction costs
 - debt servicing
 - utilities
 - taxes
 - demolition
- iv. Can be utilized in conjunction with other DDIP grant programs to a combined maximum value of \$50,000 for any one civic address for the lifetime of the program.
