We are so excited to welcome you back to the FLC! We sure missed everyone. We do have a few guidelines we need our guests to follow in order to keep you and everyone else safe. We thank you so much for your continued support and cooperation.

Under the weather? We’re sorry to hear that! We do ask that you do not enter until you have recovered from your symptoms and are feeling completely healthy again.

For all preschool and lower Swim Kids levels (1-4), participants need to be accompanied in the water by a caregiver from the same household (age 16 years or older) to maintain physical distancing requirements. For higher Swim Kids levels (5-10), caregivers won’t be required but physical distancing requirements will be in place.

Children of the same household, but not in the swimming lesson, cannot be left unattended on pool deck while parents and sibling are in lessons.

At this time, no chairs will be provided for viewing lessons.

Please arrive at your swim time no more than 10 minutes early to avoid crowding, and when possible come ready to go to reduce crowding and wait times in change rooms.

Showers prior to entering the swim area are mandatory, and they will not be available for use after your swim. This is to reduce wait times and ensure we maintain 2 metre distancing.
