

ENVIRONMENTAL SITE ASSESSMENT AND REMEDIAL/RISK MANAGEMENT GRANT

a) Purpose

The Environmental Site Assessment and Remedial/Risk Management Grant Program is for property owners where consideration is being given to potential development and an environmental site assessment is required to assist in the decision making process.

This program is consistent with the objectives of the Downtown Redevelopment Plan in that it will assist with the costs of new development or redevelopment that have been identified as constricting investment. The goal is to generate more activity and opportunities for business in the downtown.

b) Eligible Area

The geographic area of this program is identified in the Downtown Redevelopment Plan (see boundary map). Only properties within this geographic area are eligible for this program.

c) Funding

The program is intended to cover 100% of eligible costs up to **\$20,000** to assist in the costs of environmental site assessments and completion of a remedial or risk management plan. Funding is subject to availability within the program allocation.

a) Program Timing

This program is scheduled to begin March 2019 and end December 2020.

- All eligible expenses incurred must be submitted with invoices and receipt of payment by December 31, 2020.
- Expenses incurred prior to January 1, 2019 and after December 31, 2020 will not be eligible.
