SIGNS WITH ELECTRONIC DISPLAYS

Apply now

* IMPORTANT:

Some restrictions apply regarding sign size, placement and content material. Signs allowed in non-residential areas only. A separate Development Permit is not required for any sign which has been approved as part of a Development Permit for a principal use. Due to Safety Codes regulations, a separate Building Permit may be required for certain signs. A separate Electrical Permit is required for lighted and/or electronic signs. Sign types shown is not an exhaustive list. **For more information** about sign permit requirements, contact Planning and Development Services: pbe@medicinehat.ca Ph. (403) 529-8374.

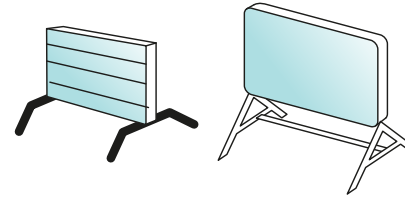

Development Permit information as per Land Use Bylaw #4853-2026; subject to amendments.
