Residential Waste Collection Calendar

Residential Waste Cart Tips

Load it. Dispose of acceptable items only. Items left outside of the cart(s) will not be collected. Please no batteries, pressurized tanks or other harmful or hazardous items in the carts. Take excess materials or items not accepted in residential collection to the Waste Management Facility for safe and appropriate disposal.

Time it. Set each cart out before 7 a.m. on collection day and bring back onto private property within 24 hours of collection.

Park it. Set the cart(s) at the curb/lane with the arrows pointing to the driving lane.

Space it. Remember that if you can comfortably walk around each cart, then you have left enough room for the collection trucks to empty the carts.

Level it. Carts must be placed on a level surface no more than 150 mm (6 in) above the road elevation.

Yard waste collection runs from April 7 to November 14, 2025.
