## ***ON-DEMAND SERVICE***

**MHTnow** is an on-demand bus service. This service is available during slower ridership times in the central zone, weekday evenings from 6:45 p.m. to 10:45 p.m. and on Sundays from 8:15 a.m. to 7:15 p.m. **MHTnow** services can be accessed in the **MHTapp**.

**Note:** **MHTnow** does not run in Ross Glen and South Ridge.

## ***BE A POLITE PASSENGER***

Taking public transit means that you will be sharing your ride with others. Please be considerate while on our system; it helps to make everyone's trip more enjoyable.

## ***APPROVED WHEELCHAIRS***

Clients and wheelchairs will be accommodated on MHT buses if the length does not exceed the maximum design capacity of the ramp and bus. Clients on narrow, unstable scooters are required to transfer to a seat on the bus.

Wheelchairs should meet the WC18 or WC19 standard, and must be equipped with footrests, working brakes, seatbelts, and rear wheels to prevent tipping. Drivers are not available to help with boarding, packages or bags.

Drivers will ensure proper securement of the wheelchair prior to departure. Clients with walkers are not permitted to sit on walkers while bus is motion and must remain in control of walkers whenever the bus is in motion.

## ***COURTESY SEATING***

Seats closest to the doors are for persons with disabilities and/or seniors. People appreciate you offering these seats to them.

## ***BABY STROLLERS***

We recommend strollers be lightweight, small in size, and foldable. Passengers may leave their child in strollers but must retain control of the stroller, with the braking device applied and out of the aisle.

## ***BIKE AND RIDE***

For your convenience, MHT buses are equipped with bike racks. **Bike and Ride** provides an environmentally friendly alternative transportation option. Bikes and rental scooters are not permitted inside the bus.

## ***BOOK YOUR RIDE***

Schedule your **MHTnow** on-demand ride in the **MHTapp**, by booking online at [medicinehat.ca/transit](http://medicinehat.ca/transit), or by calling our booking agents at 403-529-8214 (option 2).

Enter your starting location and your destination within the zone and request a ride. Use the mobile app to watch your bus and receive a text when your bus will arrive in real time. Check the map for your pickup location.

**Note:** If you are transferring to our regular fixed-route bus, schedule an 'Arrive by' time to ensure you make your connection. Regular service departs the downtown Transit Terminal every 30 minutes at 15 minutes before and after the hour. **Watch for phone alerts - your pickup time could change slightly as we accommodate other riders.**

## ***BACKPACKS, LUGGAGE AND GROCERY BAGS***

Make room for everyone, 1 person = 1 seat. Keep all large articles and carry-on bags/parcels out of the aisle and on your lap.

Skis, ski poles and ice skates must be properly encased. Rollerblades and skateboards must be stored properly.

## ***CELL PHONES AND AUDIO DEVICES***

Keep your language and conversations appropriate for all ages. Headphones are to be used when talking on your cell phone or listening to your electronic devices. Drivers often check with passengers for transfers to other buses; please keep your headphone volume at a level which allows you to hear the driver.

## FOOD AND DRINK

If you are going to eat or drink while riding the system, remember to keep it clean and don't litter. Take your garbage with you when you leave the bus.

## LOST AND FOUND

All lost and found items can be picked up at the Transit administration office at 460 Spencer Street SE.

## PETS

Certified specialty pets (working dogs) are permitted on board with proper identification. Any other small pets must be enclosed inside an animal carrier device to ride the bus.

## SMOKING

Smoking, littering, and loitering are prohibited.

### STAY SAFE

- Be alert and aware of your surroundings.
- Shirts and shoes must be worn on the bus.
- Have your card or transit fare accessible to avoid digging through pockets and purses.
- Do not stand on the seats, keep arms and head inside the bus and do not chase the bus after it has pulled away from the curb.
- Remain seated until the bus has come to a full stop.
- Buses will not stop in traffic to allow passengers to board and exit the bus.
- All children age 5 and under must be accompanied by a guardian. It is the responsibility of the guardian to keep children seated.
- Exit the rear doors whenever possible.
- If you have any concerns, notify a driver.

***DID YOU KNOW?***

Medicine Hat Transit buses reduce thousands of car trips annually – helping keep our air clean!

**Many local destinations are accessible by bus.**

***TRANSIT HISTORY***

- **Early 1950s:** Local intra-city bus service was first provided by a private company called Blair's Bus Lines.
- **1953:** The Medicine Hat Transportation Company was founded and took over local bus operations.
- **1970:** The City of Medicine Hat officially bought out the Medicine Hat Transportation Company in June 1970.
- **1972:** The municipally-owned Medicine Hat Transit that exists today was formed as a distinct department. This coincided with the modernization of the system including branding, a restructuring of routes to better serve growing suburbs, and the purchase of new equipment to replace an aging fleet.

***TRANSIT-FRIENDLY DAY TRIPS***

Plan a Green Day by using Medicine Hat Transit to visit parks, grab a coffee downtown and shop locally!

***TIPS FOR A SMOOTH RIDE***

- Check real-time arrivals using the Stop ID in the **MHTapp**.
- Plan your ride outside of peak hours (7-10 a.m. and 3-5 p.m.) if you prefer a quieter trip.
- Use bike racks for eco-friendly commuting.
